Product Instructions, Disclaimer and Warning

Our products are designed for installation and use by trained professionals and advanced level aerialists. We recommend our products are only to be installed by experienced, professional aerial riggers. We do not recommend use of our products unless you are an experienced aerial artist or are supervised by an experienced professional. You use our products at your own risk.

Our product should not be cut, trimmed or otherwise altered in any manner as it will compromise the safety and integrity of the product.

You are responsible for checking for any defects prior to use and to regularly testing for any issues with the product during use which may lead to injury, falls, or other damage. This product contains the potential of many hazards during use, including but not limited to fall hazard, exposure to outdoor elements leading to instability and weakness of product. Our products should be installed and used by professionals who are familiar with and experienced in similar installation and use.

We recommend that you regularly test our product to ensure it has not been damaged after repeated use. Our product may also become weak with regular, frequent and repeated use over time. Depending on your frequency of use, the product may become weak, frayed or tear so you need to test and check the product regularly for any instability and before each use.

Except as expressly stated and to the full extent permitted by law, our products are provided 'as is' and on an 'as available' basis without any representation, warranty of any kind whether express or implied, including but not limited to warranties of merchantability or fitness for any particular purpose. We at all times abide by warranties required by Australian Consumer Law with respect to all other warranties and guarantees.

To the maximum extent permitted by law, all warranties, terms and conditions and any duty of care which otherwise may arise or be imposed on Ronit Pty Ltd t/a Aerial Artistry® ("Aerial Artistry®") including any liability to any person in connection with the products which are hereby excluded.

Adult supervision is required at all times, and this product is not intended for children. You use our products at your own risk. We do not recommend any use of the product other than in accordance with our and any manufacturer instructions.

Warning: Our Aerial Artistry product is meant as tool and equipment for aerial training. It is not meant be used by inexperienced children or adults and may pose serious risk where inexperienced individuals may be using the product. It is not a toy nor should it be used for any other use other than as advised.

Aerial Artistry®, including its employees, directors, contractors and all third party affiliates shall not be liable to you or any third party, directly or indirectly for any loss, liability, injury, damage, death or any claim which may arise from your use of our Aerial Artistry products or services in accordance with the instructions.
